Dear Howie,

Relative to your letter to Curt Reitz of May 1, 1950 concerning that other network's disc jockey, talent type show, I submit the following as being of high moral character and unquestionable ability:

Ted Stanley
Ray Mecca
Curt Reitz
Bob Wickersham

If NBC, or you wish to contact these young men, a short message to the above address will bring them running. Incidentally, Howie, could you please send me some more information relative to the show NBC is planning, and details as to dates and method of selection.

Curt has advised me that you will be working for a local New Haven station this summer, and as I live in Hamden, just across the City Line, we should be able to confer from time to time an Ivy programming. Finals are over by June 10, and I will be home no later than that date. If you care to set a time, date, and place for the first week that I'm home, we can get together and work out the proposals brought forward at the last meeting of the Network. We might even come up with a few new ones.

Please don't get sick over this contest even though the idea is a little revolting.

Sincerely,

Frank
